**Department of Education**  
**Field Trip Report**  
**On**  
**One Day Field Trip To Kangla**

On 25<sup>th</sup> April 2022, a group of 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> semester students' of the department of education accompanied by teachers (Dr. Sapam Neelima, Moirangthem Tondon, Ahanthem Manjulika, Dr. Khomdram Ranabir, Hanjabam Roshi) visited the Kangla Palace located at the heart of Imphal City as part of the Education syllabus.

**Objectives:**

- To introduce students to the Palace of the erstwhile Meitei King, the seat of power and microcosm of the Meitei Kingdom
- To stress the environmental consciousness of our forefathers and how the youths of the present generation should continue the tradition of our ancestors and take initiatives to conserve our environment
- To reiterate the sacrifices of our forefathers in fighting against the oppressive regime of the British and how the values of courage, patience and resilience should be imbibed by the youths of the state.

**Result/ Outcome:**

The head of department Dr. Sapam Neelima, stressed the cultural significance of the erstwhile Palace of the Meitei King. The Pre- Hindu belief system, provides an idea about the bio-physical structure of the state functioning like a human organism where, Kangla occupied the navel, the hollow in the belly left by the detachment of the umbilical cord. The role of Ibudhou Pakhangba, the King of the Ningthouja dynasty who was responsible for uniting the seven clans under his leadership was reiterated. The students were introduced to the varied flora within the Kangla Palace. The age old trees within the Kangla Palace is a stark reminder of the Meitei people's belief in spiritual ecology. The tradition of *Ahonglon* where the spirits of our ancestors were worshipped by consecrating a tree and the taboos associated with the destruction of such trees has led to its survival for generations. Madam Neelima stressed to the students of the traditions that we should learn from our ancestors and the initiatives that we should take to conserve the environment. The students and teachers visited the different historical and religious places of cultural significance within the Kangla Palace.
