REPORT ON FEEDBACK ANALYSIS

Introduction

Result orientation is the key word for every institution, every private or government undertaking. Thus, feedback plays a vital role for the development and welfare of the institution. Therefore, feedback from teachers, students and alumni of the Institution is undeniable necessity for a successful teaching and learning process and outcome.

Student's Feedback:

While analyzing the feedback given by the students of Shree Shree Gour Gobind Girls' College studied in the academic year 2021 – 2022, the college felt a sense of satisfaction as most of the students accepted that the curriculum designed by the college is relevant to real life situation and job oriented. The feedback reflected that the curriculum design and its deliberation by the dedicated teachers and its assimilation by the students are very satisfactory.

Interpretation:

- As the curriculum design and its deliberation have been made to fulfill every need of the students, the reports reflected the student's satisfaction.
- The feedback report highlights student's satisfaction on the teaching/learning process, class-room engagement of the teacher, and the updated methodologies introduced by the well-trained teachers.
- The report analysis suggests that most of the students expressed that the college should have a swimming pool for recreational space.
- Most of the students expressed on field trips and study tour outside Manipur for a broader understanding of their respective subjects.
- The feedback report shows that the students are satisfied with the overall academic atmosphere of the college.
