About the Institutes

Shree Shree Gourgobind Girls' College is premier institute of higher learning for girls in Imphal-East district of Manipur.

The Maharaja Bodhchandra College (MB College) is a co-educational premier institute of higher learning of Manipur.

About the Programme

A geographic information system (GIS) is a computer system for capturing, storing, checking, and displaying data related to positions on Earth's surface. By relating seemingly unrelated data, GIS can help individuals and organizations better understand spatial patterns and relationships. The global positioning system (GPS) is a network of satellites and receiving devices used to determine the location of something on Earth. The Global Positioning System (GPS) provides users with positioning, navigation, and timing (PNT) services. Considering the applicative importance of GIS and GPS, Research Club, Dept. of Botany and Dept. of Geography, Shree Shree Gourgobind Girls' College, Khurai Sajor Leikai, Imphal East in collaboration with Maharaja Bodhchandra College (MB College), Palace Compound, Imphal East is organizing a Two Days State level seminar on "Geographic Information System (GIS) and The Global Positioning System (GPS)" on February 25-26, 2019 at Shree Shree Gourgobind Girls' College.
